*Honor*—men exhibiting honor are true to their word and to their promises.

*Courage*—courageous men cast aside fear and carry on with continued firm purpose.

*Chivalry*—caring men demonstrate sensitive concern for those less fortunate, both locally and globally.

*Purity*—godly men keep their minds free from evil influences. They concentrate on what is honorable and good.

*Loyalty*—faithful men demonstrate loyalty to any person or group to whom they owe allegiance.

*Obedience*—godly men respond enthusiastically when a request or command is given.

*Dedication*—godly men commit their resources to the control of the Lord Jesus Christ.

"I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven."

(Matthew 18:19)
